**Motto : Believe in science, Live in science.**

### **Objectives :**

**#To arouse and cultivate students' interest in learning science.**

**# To develop students, interest in the practical application of the knowledge related to different branches of sciences.**

**# To encourage students to participate actively in the activities organized by the science club.**

**#To develop an awareness of and concern for scientific issues in personal, social, environmental, and technological contexts.**

**#To develop student leadership by organizing science festivals, competitions (Olympiads, Quiz, Extempore Speech), and sessions on our relevant topics.**

**#To make the students understand the values of time and help them properly utilize their hours.**

### **Activities :**

BAF Shaheen College Dhaka Science Club is one of the leading clubs in BAF Shaheen College Dhaka, exploring the vibrant world of science, where innovation meets education and creativity knows no bounds.

In our club, sessions and workshops are not just about acquiring knowledge but also about igniting curiosity and fostering a passion for science. From hands-on experiments to insightful discussions, every session is designed to inspire and empower our members.

Moreover, we take pride in organizing national festivals, showcasing our dedication to promoting scientific awareness and community engagement.

In various competitions, our participants shine, demonstrating their talent and dedication to the pursuit of scientific excellence. Join us at BAF Shaheen College Dhaka Science Club, where we redefine learning and embrace the endless possibilities of discovery.
